"The old saying says a picture is worth a thousand words. Beverly's photos do double duty inasmuch as 10,000. Fascinating pictures like these help us bring the underwater world to life and also remind us our seas by making real what we need to protect under the waves."
Andrew F. Sharples, CEO, Oceana

"In Seaduction, Beverly Factor does an amazing job of combining nature and art, and her result is stunning!"
Greg MacGillivray, IMAX Theatre Filmmaker
The World's Ocean

"Follow Ocean Artist Society member, Beverly Factor, has made a tremendous contribution to ocean awareness with her stunning images of ocean life. She continues to be one of the leading photographers of the underwater world."
Wendy, Project Ocean Art
